

# Parent Involvement Opportunities and Language Support

It is our endeavor to provide a warm and welcoming place for our students and parents. Therefore, San Gabriel High School has a variety of opportunities for parent involvement at the Matador Family Center along with the programs provided by the Alhambra Unified School District Gateway to Success. In addition, we have available the following individuals that can assist you in contacting your child's teacher, counselor or administrator with any concerns or questions.

**Beatriz Macias**  
**School Community Coordinator, Spanish**  
**626-943-6813**  
**[macias\\_beatriz@ausd.us](mailto:macias_beatriz@ausd.us)**
